

## Evaluation – Nitra Case Study 2018

Competence	Assessment
<b>1. Draw up an integrated report</b>	<b>Marks*: from 0 up to 20</b>
a) demonstrate knowledge of basic theoretical framework to understand the new challenges of sustainable rural development	
b) integrate theory and practice	
c) develop personal (critical views), and creative spirit of research re-elaborating new knowledge	
d) make a concise synthesis	
<b>Score for competences a) to d)</b> <i>=marks for competences a) to d) calculated with the arithmetic average <math>(a+b+c+d)/4</math></i>	<b>...../20</b>
<b>2. Give a clear oral presentation of the results of the case study</b>	<b>Marks: : from 0 up to 20</b>
a) Intermediary test	
b) Final Test	
<b>Score for competences a) and b)</b> <i>=marks for competences a) and b) calculated with the arithmetic average <math>(a+b)/2</math></i>	<b>...../20</b>
<b>3. Give a clear country presentation</b>	<b>Marks: from 0 up to 20</b>
a) Contents	
b) Synthesis	
c) Style of presentation	
<b>Score for competences a) to c)</b> <i>=marks for competences a) to c) calculated with the arithmetic average <math>(a+b+c)/3</math></i>	<b>...../20</b>
<b>Final Score</b> = score calculated from the scores given for the different competences considering different weight. In particular: 1. Integrated report: 50% total marks 2. Oral presentation: 40% total marks 3. Country presentation: 10% total marks $(1*0,5)+(2*0.4)+(3*0.1)$	<b>Final score</b> style="text-align: right;"> <b>...../20</b>

\* Marks: Indicative

< 10:	not passed or ECTS F
10.0 - 12:	satisfactory or ECTS E or D
13.0 - 14:	distinction or ECTS C
15.0 - 16:	Great distinction (GD) or ECTS B
≥ 17:	Greatest distinction, excellent (DGD) or ECTS grade A
