Dear Sir / Madam,

I am pleased to invite you to participate at “**International Congress of Faculties of Tourism and Hospitality**”, to be held in period from 29th of April to 3rd of May 2015 in hotel Kamelija Tivat, Montenegro. The 8th Congress is organized jointly by International Association of Students of Tourism and Hospitality (IASTH) in cooperation with student organization “Turist”, from Faculty of Tourism and Hotel Management Kotor, Montenegro.

The main subjects of Congress will be “**Sustainable nautical tourism on the Mediterranean coast**”. The fact that this segment of tourism is extremely important for the overall development of tourism in Montenegro, but also the region, we decided to choose this topic in order to hear the opinions and attitudes of academic professors and experts. The Congress will address a range of critically important issues and themes relating to the nautical tourism and sustainable development of community, economical, ecological and socio cultural effect of nautical tourism development and special market segments of nautical tourism as well. The other subject will be “**Young tourism professionals, innovative ideas for business in tourism**”. We will try this year to provide the participation of representatives of the tourism industry who realize significant tourism projects in order to consolidate in one place, industry and academia.

The Congress is also an opportunity for Higher Education Institutions (HEI) to start cooperation and new mutual projects in the future. This gathering is a chance for HEIs to enhance mobility programs for their students and professors and to improve international relation with other HEIs.

We would like to invite your institution as our partner. The Congress is opened for all students of tourism and Hospitality and official language is English. As you can see, Congress also provides space where you could promote your institution to students and professors of Tourism and Hospitality from different countries. We hereby invite you to be part of the largest, traditional, gathering of students and professors of the Faculties of Tourism and Hotel Management and thus this big event.

We hope that you will be able to join us with a group of students from your University. Please let us know if you are interested to participate so we could send you all the necessary information. Deadline for applications is **15th of March 2015**.
